

# Padded MouseBag™

# Bierley

**Convenient**

We found that many of our customers like to take their Bierley Electronic Magnifier when they go on vacation or visit friends and relatives. Students and business people need portability too.

Now there is an easy solution, a Bierley MouseBag™

- Padded for extra protection
- Accommodates any Bierley Electronic Magnifier, such as the MonoMouse
- Space for cable, power pack etc.
- Tough wearing polyester fabric
- Can be worn around the waist
- Key holder and mobile phone pocket
- Durable and built to last
